

Community Psychology Practice Council (CPPC)

Co-Chair Election Procedure

Updated July 24th 2014

The Practice Council's Co-Chair shall be elected by a simple majority (51%) of votes cast by active members of the SCRA Community Psychology Practice Council. Active members are those who have participated in the Practice Council's monthly meetings within the previous year. Co-Chairs shall serve a term of two years, with no term limits.

Timeline:

- Elections are announced in August (This will eventually become standard practice as we do it each year). Accompanying this announcement is a description of the roles and responsibilities of the co-chair, and how the co-chair fits into the leadership team. The co-chair whose seat is up for election, will, at this time declare his/her intention to re-run. (Remember, there are no term limits)
- Nominations are accepted of active members through the September Practice Council Monthly Meeting. They can come in via email beforehand, or be announced at the meeting. Self-nominations are allowed. Candidates must accept their nomination, and will be given a few minutes on the September call to explain why they are interested in the position.
- Voting will take place online, via survey monkey, between the September call and the October Call. The newly elected (or re-elected) co-chair will take his/her place for the October meeting.
